

Before the PTO meetings, the PTO has a uniform recycle sale. The **Recycled Uniform Sales** subcommittee organizer reports directly to the spirit wear used uniform sale chair.

The subcommittee chair will be responsible for the following:

- Setting up the used uniform sale before the PTO meetings. Will need to arrive by 5:30 PM.
- Organizing volunteer signups for the used uniform sale.
- Answering parent questions about uniforms.
- Incorporating unlabeled lost and found uniforms into the used uniform sale. Used items might need to be washed or discarded (clothing with holes).
- Cleaning up the used uniform sale after the meeting.

Maximum hours for the subcommittee chair will be around 1-2 hours per week and 3-4 hours during PTO meetings. This is an in-school volunteer opportunity and will satisfy your volunteer hour requirement.
